

Logging In via the Web

1 Open the Online Event Guide. Access the web version of the app using this URL:

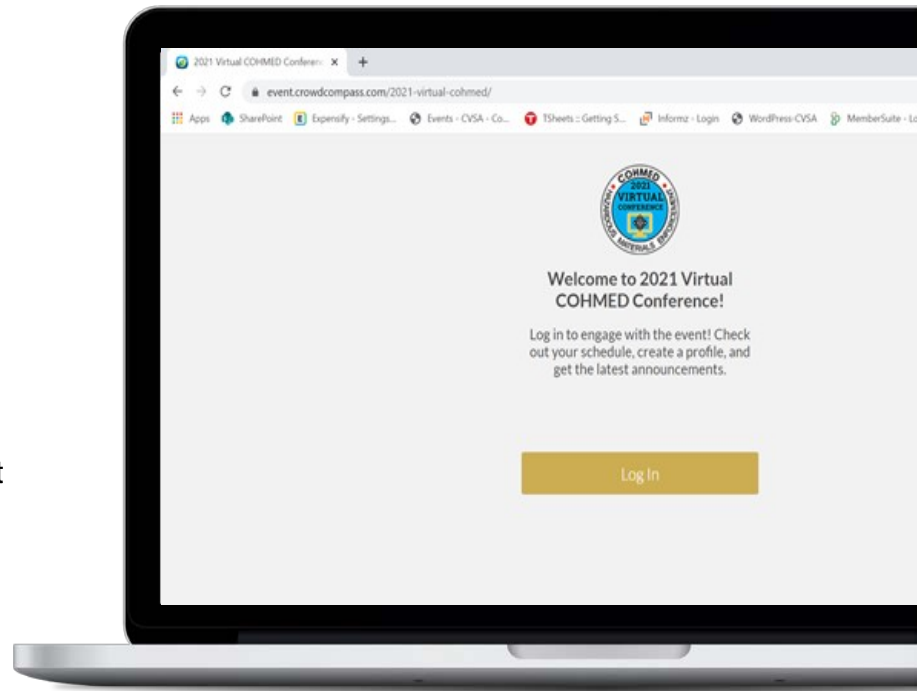

<https://crowd.cc/2021-virtual-cohmed>

Click **Log in**.

2 Enter your information. Enter your first name, last name and email address. Then tap **Next**. We'll send you an email or text message to verify your account.

3 Verify your account. Access your verification email or text message. You'll see it includes your six-digit verification code. Return to the login page and enter the verification code, then tap **Verify** to log in.

Note: Verification codes expire every 24 hours and can only be used once. If you're logging in on multiple devices, you'll receive a new verification code for each device.

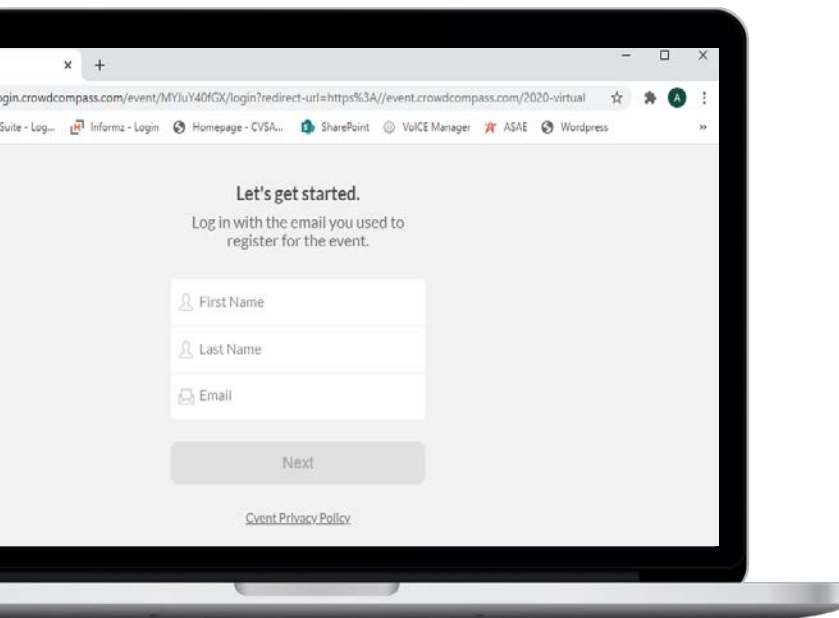

Troubleshooting Tips

1 Verify your information. Use the same credentials as your CVSA member portal used for registration. First name, last name and email address must match exactly.

2 Check spam/junk mailboxes. Verification codes are sent from support@crowdcompassmail.com and may be in your spam folder.

3 Contact CVSA. If you do not receive the verification code after a couple of minutes, contact amandaw@cvsa.org or natashab@cvsa.org.

Downloading the App for Mobile Devices

Get the app

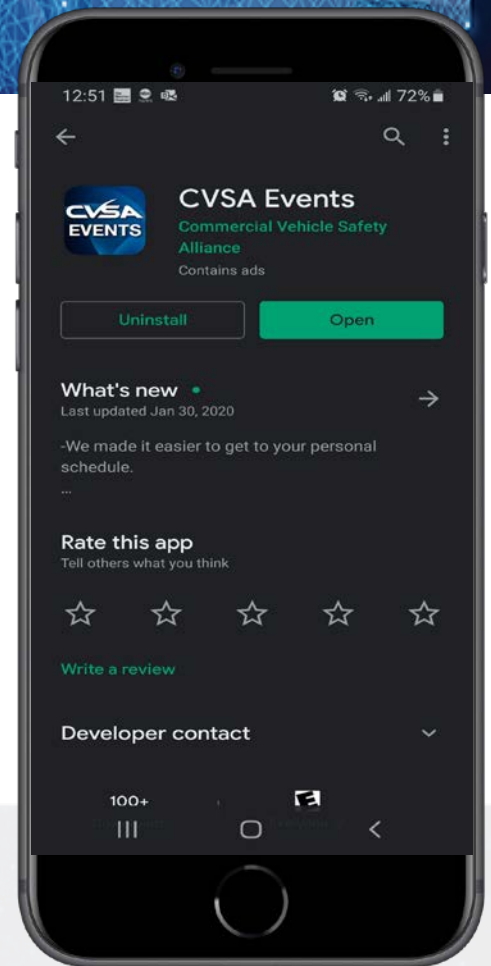

1 Go to the right store. Access the Apple Store on iOS devices or the Play Store on Android, or directly access the app from your mobile device here:

<https://crowd.cc/s/3Wwoc>

If you're using a Blackberry or Windows phone, skip these steps. You'll need to use the web version of the app found here: <https://crowd.cc/2021-virtual-cohmed>

2 Install the app. Search for **CVSA Events**. Once you've found the app, tap either **Get** or **Install**.

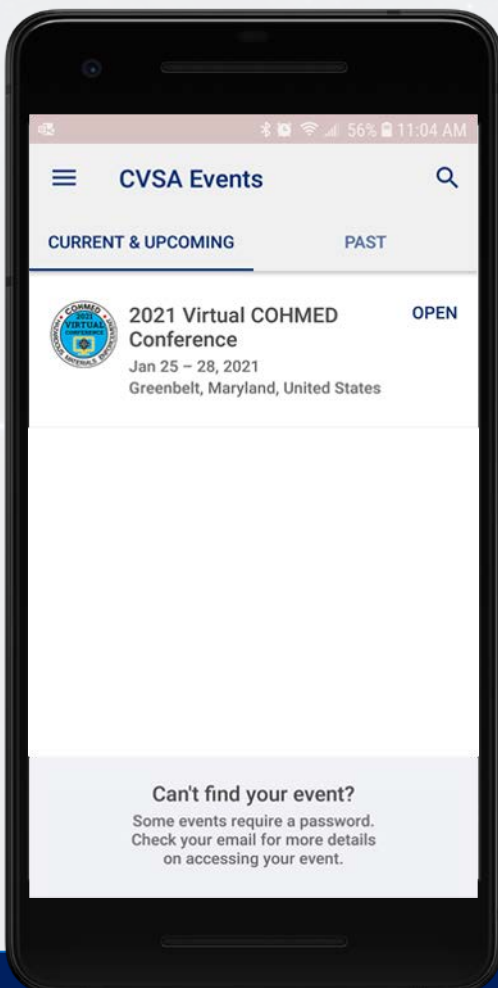

After installing, a new icon will appear on the home screen.

Find your event

1 Find the Event. Once downloaded, open the CVSA Events app and select the **2021 Virtual COHMED Conference**.

2 Open the event. Select **2021 Virtual COHMED Conference**, then tap **Download** to open it.

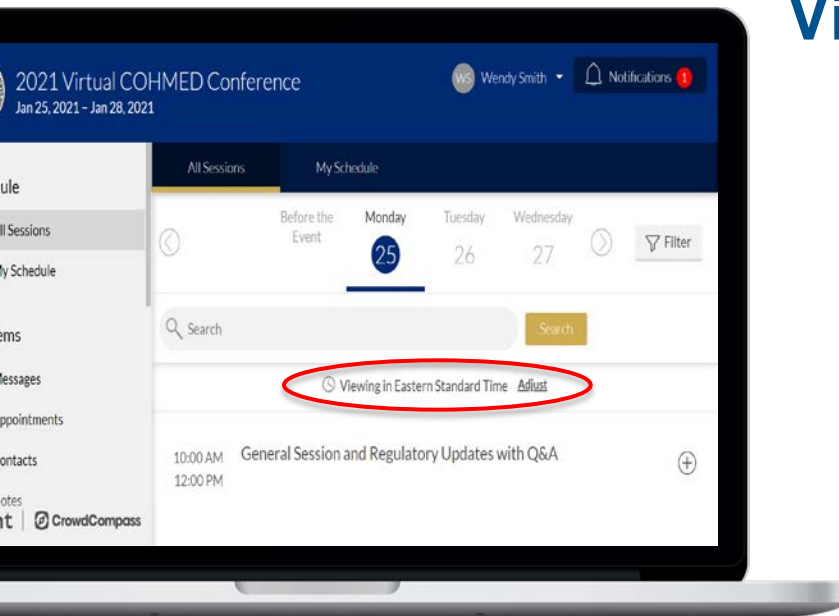

Adjust the Time Zone

Via the Online Event Guide

1 Open the schedule. After logging in, if you are not immediately prompted to adjust your time zone, click on **All Sessions** under **Schedule** on the left.

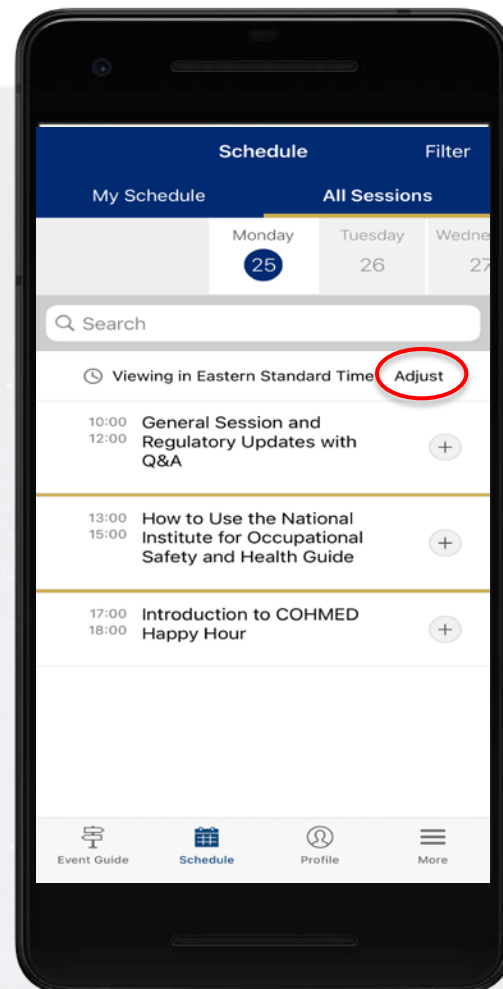

2 Adjust time zone. Adjust the time zone by selecting **Adjust** in the middle of the page. This option will only be available if you are outside of the Eastern Standard Time zone location.

Via Mobile Devices

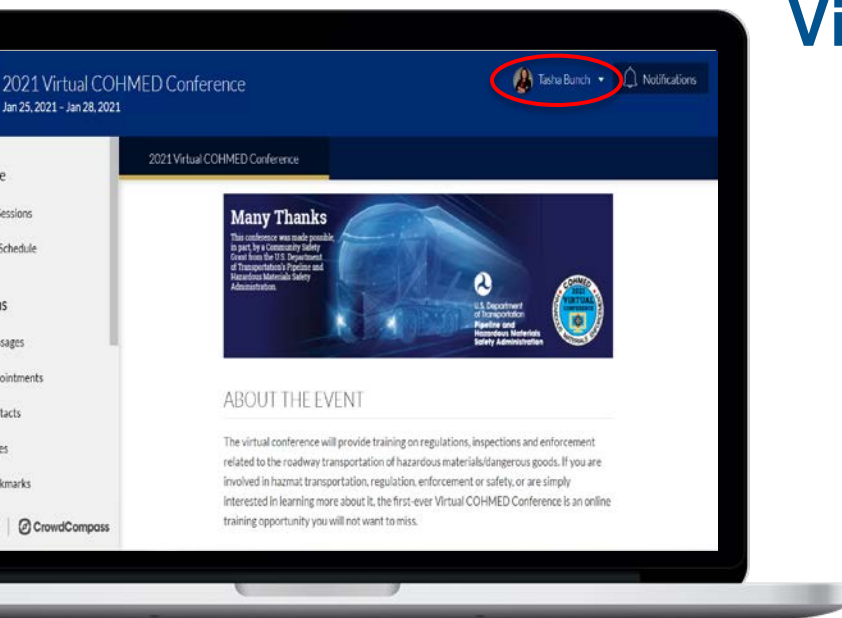

1 Open the schedule. After logging in, if you are not immediately prompted to adjust your time zone, click on **Schedule** on the bottom navigation.

2 Adjust time zone. Adjust the time zone by selecting **Adjust** in the middle of the page. This option will only be available if you are outside of the Eastern Standard Time zone location.

Build Your Attendee Profile

Via the Online Event Guide

1 Use the Profile Wizard. With your first log in, you will have the option to build your profile with a series of prompts for information.

2 Edit your profile. Edit your profile by selecting your name on the top right of the page, then **Edit Profile**.

3 Tell us about you. Upload an image, connect any relevant social media accounts and fill out the text fields to give other attendees a sense of who you are.

4 Confirm Privacy Settings. Set your profile to **Visible** to show on the **Attendee** list and to connect with other attendees. When you've finished, tap **Save Changes**.

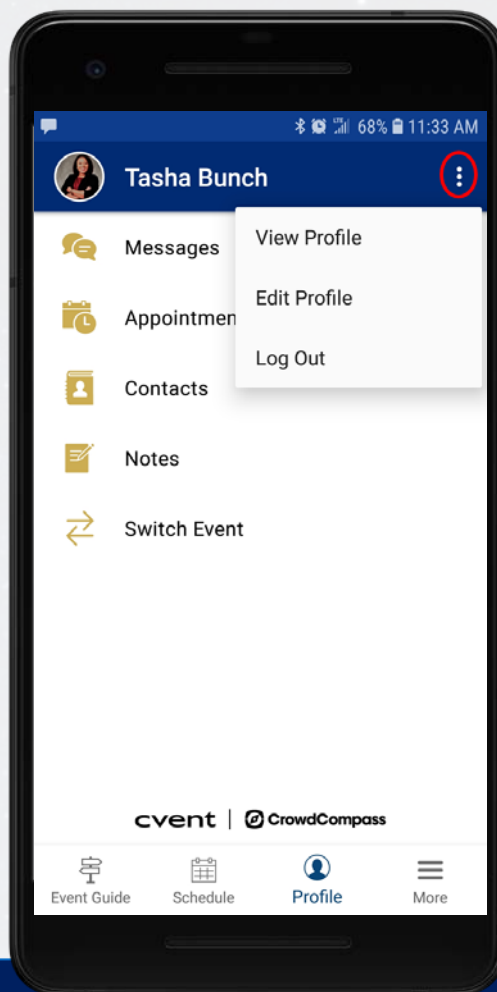

Via Mobile Devices

1 Use the Profile Wizard. With your first log in, you will have the option to build your profile with a series of prompts for information.

2 Edit your profile. View or edit your profile by selecting the **Profile** icon on the bottom toolbar navigation. Click on the three vertical dots next to your name at the top of the page to reveal a drop-down menu.

3 Tell us about you. Upload an image, connect any relevant social media accounts and fill out the text fields to give other attendees a sense of who you are.

3 Confirm Privacy Settings. Set your profile to **Visible** to show on the **Attendee** list and to connect with other attendees.

Adding to My Schedule

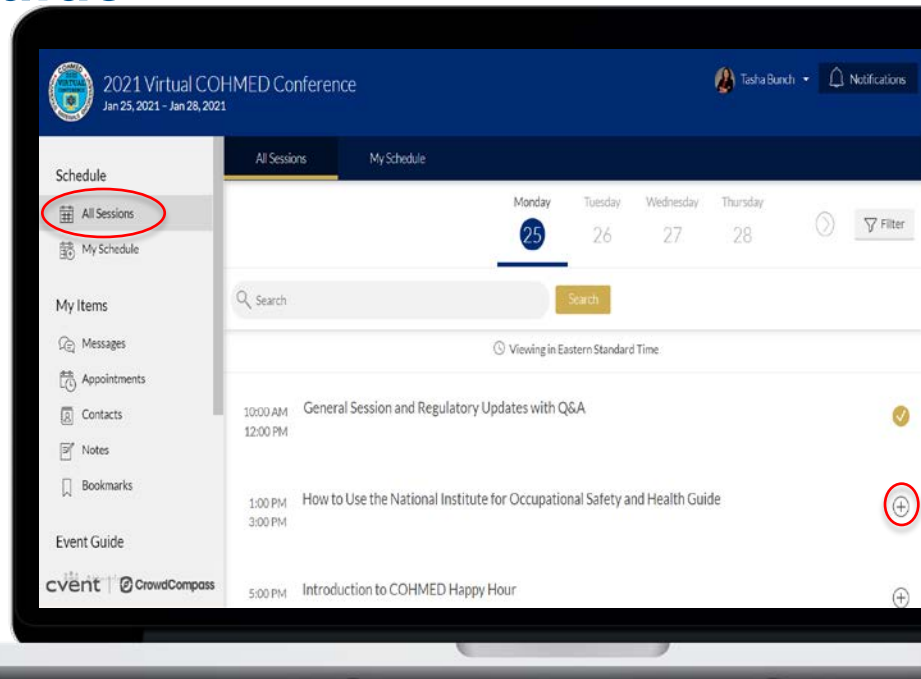

Via the Online Event Guide

1 Open the schedule. Click on **All Sessions** under **Schedule** on the left.

2 Browse the calendar. Switch days by using the date selector at the top of the screen. Scroll up and down to see all the sessions on a particular day.

3 Add to My Schedule. Tap the plus sign to the right of the session name to add it to your personal schedule. A check mark indicates that session has been added to your schedule.

4 Make edits. Uncheck any session you've added to remove it from your schedule. You can also tap the name of any session to be taken to its details page.

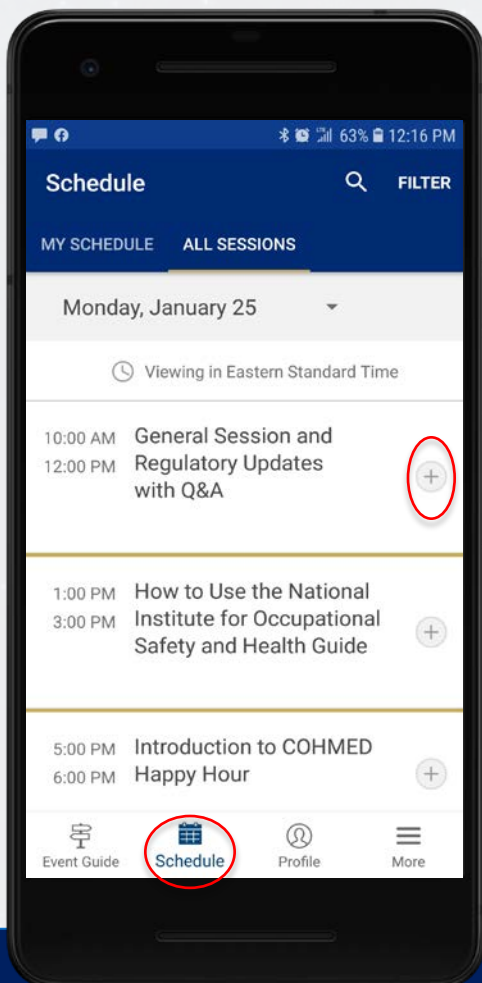

Via the Mobile App

1 Open the schedule. After logging in, click on **Schedule** on the bottom navigation menu. Select the **All Sessions** tab at the top of the page.

2 Browse the calendar. Switch days by using the date drop down selector at the top of the screen. Scroll up and down to see all the sessions on a particular day.

3 Add to My Schedule. Tap the plus sign to the right of the session name to add it to your personal schedule. A check mark indicates that session has been added to your schedule.

4 Make edits. Uncheck any session you've added to remove it from your schedule. You can also tap the name of any session to be taken to its details page.

Exporting Your Schedule

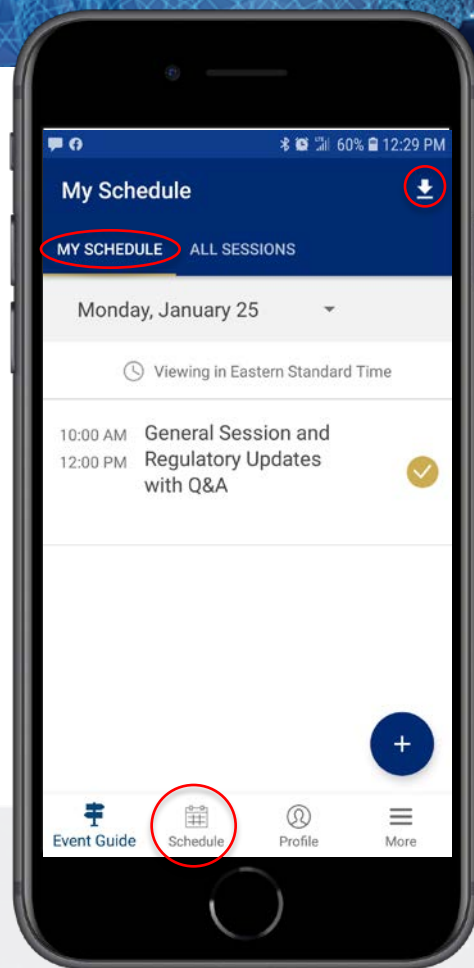

Export from the app

1 Access your schedule. After logging in, tap the **Schedule** icon on the bottom, then **My Schedule**.

Here you'll see a personalized calendar of the sessions you selected. You can tap a session to see more details.

2 Export it. Tap the download icon at the top right of the screen. A confirmation screen will appear. Tap **OK** and your schedule will be added directly to your device's calendar.

Before the export begins, you'll be prompted to give the app access to your calendar, if you haven't already.

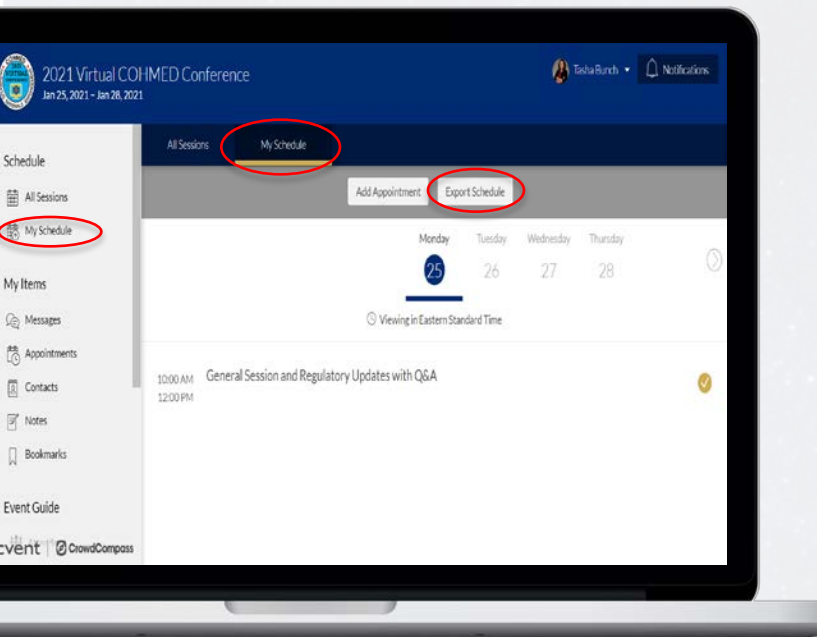

Export using the Online Event Guide

1 Access your schedule. After logging in, click **My Schedule** under **Schedule** on the left.

Here you'll see a personalized calendar of the sessions you selected. You can tap a session to see more details.

2 Export it. Click the **Export Schedule** button in the top center of the screen. Your schedule will automatically download.

Click the download file and choose which calendar you'd like to export your schedule to, then click **OK**.

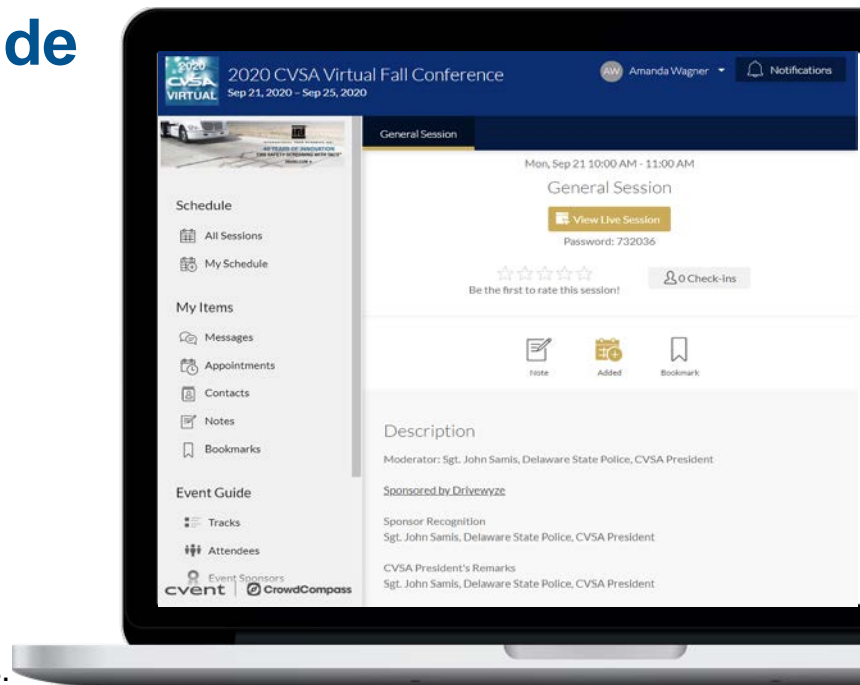

Join Live Sessions

Via the Online Event Guide

1 Find the session. After logging in, click on **All Sessions** under **Schedule** on the left. Adjust the date. Click on the session title to access the session information.

2 View session resources. Scroll through the session description to locate session agendas, resource documents, dial-in numbers for audio-only participants and sponsor information.

3 Join the session. Click the **View Live Session** button under the session title at the top of the page. This will open a new window and redirect you to the live Zoom session. We recommend leaving the CVSA Events app window open so you can access session documents.

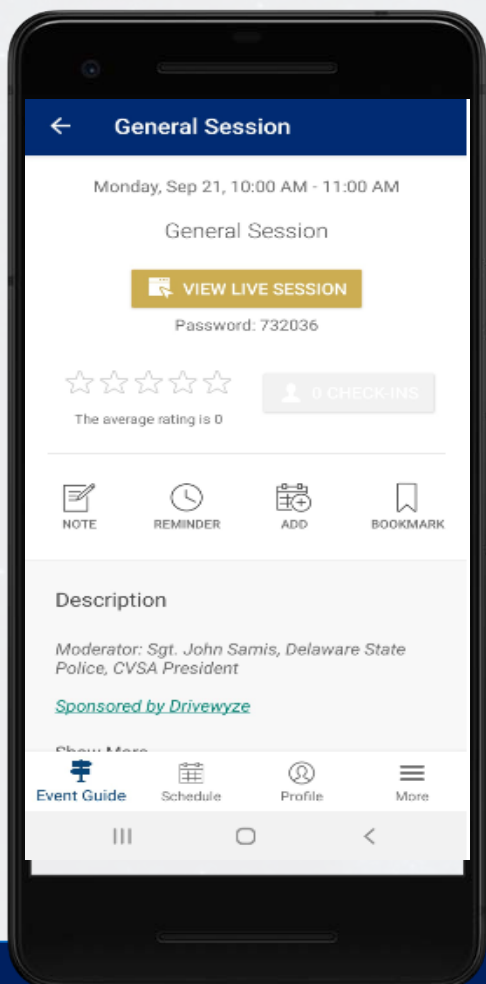

Via the Mobile App

1 Find the session. After logging in, click on **Schedule** on the bottom navigation. Click on the **All Sessions** tab to access the session information. Select the date via the drop-down menu. Select the session title.

2 View session resources. Scroll through the session description to locate session agendas, resource documents, dial-in numbers for audio-only participants and sponsor information.

3 Join the session. Click the **View Live Session** button under the session title at the top of the page. This will open a new window and redirect you to the live Zoom session. We recommend leaving the CVSA Events App window open so you can access session documents.

Note: For those unable to access Zoom, dial-in information can be found in the session description details.

App Navigation At-a-Glance

Attendees View attendee profiles, add contacts, send messages and request meetings. Note: individual profile settings must be set to “visible” to appear on this list.
