### Regarding Firearms at the Westin Indianapolis

The safety and security of our guests and associates is of the utmost importance. We recognize that guests may legally possess firearms for a variety of legitimate purposes and ask that you follow Indiana gun laws at all times.

Additionally, we ask if you are leaving your firearm or other weapon in your guest room please keep them secured in your in-room safe or by using a safety deposit box at the front desk.

Please be aware, if we enter your guest room and discover an unsecured weapon, we will immediately leave your room and not provide any services. We will also “lock out” your room to ensure no other employee or person can enter your room. You will need to see the Front Office to gain access to your room.
